Javier Pugliese

Frontend Developer

+5493513472757 | JAVIPUGLIESE1@GMAIL.COM | WWW.LINKEDIN.COM/IN/JAVIER-PUGLIESE

Background

Frontend developer with 5+ years of experience and 3+ years in eCommerce. Specialized in Shopify, UI optimization, web performance, and accessibility. Always eager to learn and contribute efficient solutions.

Education

Associate Degree In Programming

Instituto Técnico Salesiano Villada, 2015 – 2018

Learned information systems, network simulation and prototyping, programming, databases, and agile methodologies.

Experience

FRONTEND DEVELOPER | Eureka Labs

Full Time in Cordoba, Argentina, 2021 – present (3.5 years)

Developed and integrated e-commerce features using JavaScript, jQuery, Backbone, Handlebars and SuiteScript and Oracle NetSuite ERP. Developed website in NextJS for current company featuring a blog with Strapi. Currently working as a Shopify Developer, specializing in theme development with Liquid, SCSS, JavaScript and Vue.

FULL-STACK DEVELOPER | Automatiza

Full Time in Cordoba, Argentina, Dec 2019 – May 2021 (1.5 years)

Developed a web-based system for managing scheduled product ads and planograms on large screens including its gallery of media files. Built a REST API using Python-Django, MySQL/PostgreSQL, and JavaScript. Migrated core features to Node.js, Vue.js, and Microsoft SQL Server, improving performance and reducing development time.
